## Hotel ZaZa opening close to Memorial City Mall

Imagine booking your next hotel room based off a theme like, the Godfather, full of unique interior design specific to the theme as part of the Magnificent Seven Suites located on the 10th floor of the newly built Hotel ZaZa Memorial City.

Z Resorts and MetroNational revealed the development in a private preview as they put the final touches on the luxurious hotel and apartment tower with plans to open Dec. 1. The 17-story tower sits at the corner of Interstate 10 and Bunker Hill near Memorial City Mall steps away from Ciro's Italian Grill.

The suite roster also includes a Beach House, French Connection, Master Plan, Black Gold, Breathless, Asian Beauty, and Passage to India.

In addition to the lavish hotel, The McCarthy will have a total of 133 apartment units available for those interested in modern living space with a view.

Residents will have access to amenities such as a fitness center, private pool and cabanas, outdoor grill and entertainment areas, and laptop bar.

They'll also have access to a sky lounge and wine storage room along with traditional Hotel ZaZa Memorial City conveniences like ZaSpa.

The first 10 floors are reserved with a range of king-sized bedrooms and suites for the hotel. The 11 to 17 floors occupy the McCarthy apartments.

Living units range in size from small cozy studio of 530 square feet to 2,000 square feet. The apartments will be managed by Lincoln Property Group.

Hotel ZaZa has 11,000 square feet that range from event space that could hold a wedding to meeting space and a restaurant called the Tipping Point, which includes a 16-person private seating area, with the restaurant overlooking the swimming pool.
