MetroNational's long-term vision is focused on the expansion and redevelopment of Memorial City's 10-million square foot campus. In order to continue providing the best tenant amenities, MetroNational currently has several mixed-used projects underway including the transformation of Memorial City Mall - starting with the Sears box - with multiple greenspaces, aspirational retail, chef-inspired restaurants, a boutique hotel, and Class A office buildings. Construction is currently underway at Bunker Hill Rd. and I-10 on The McKinley Memorial City (residential highrise) and an adjacent 9-story, 186,000 square foot office tower.

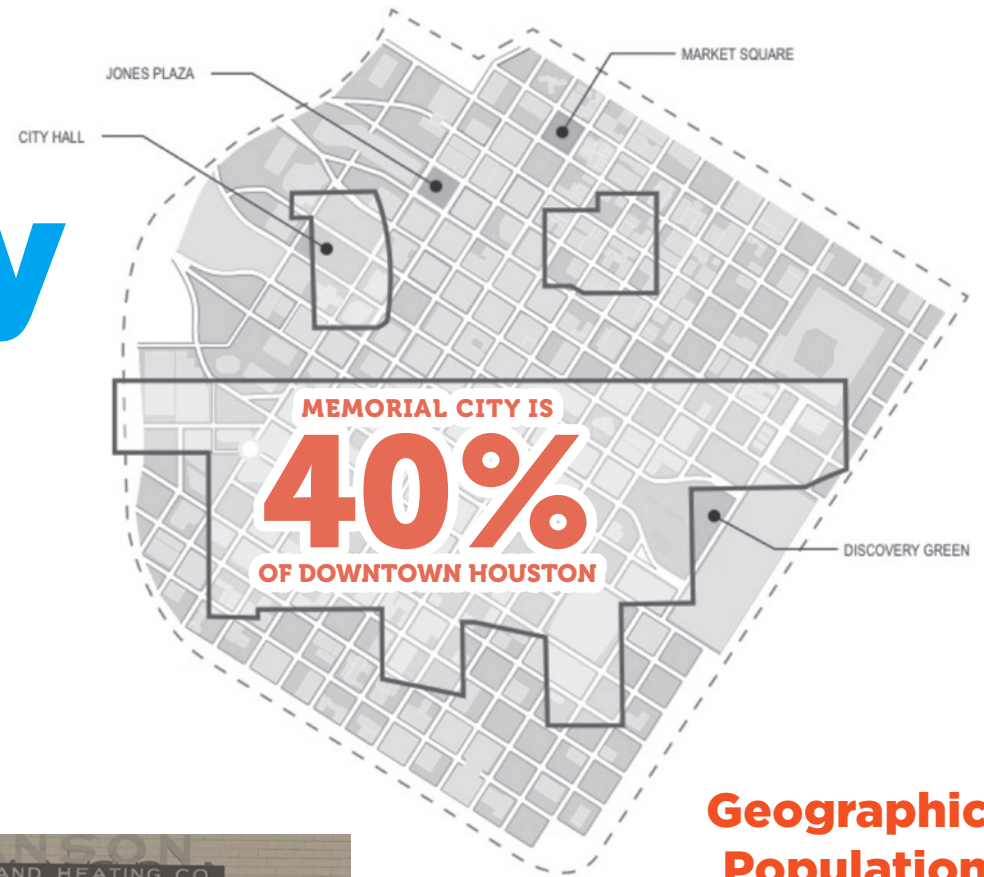

BUILDING Community

**At MetroNational,
we are builders –
and stewards.**

Since that day in 1954 when Joseph Johnson saw the potential in 200 acres of raw land off of Gessner Road in West Houston, we have endeavored to create, expand and sustain a true mixed-use community – Memorial City. Today our thriving 265 acre home, which includes a regional mall, hotels, restaurants, high-rise residential and office towers, is now **the geographic population center of Houston, located in one of the city's most affluent zip codes.**
